Soccer Wrap Up Thank you 2018 soccer season Coaches and Parents! Our Coaches volunteer and work hard after their long day at work. **We can not thank you enough for your dedication!** As we know, it takes a village to raise a child. It also takes a village to teach children how to be involved with Athletics. I'm positive that Coaching at this level is preparing our athletes ability to deal with practices and game situations. In some cases, this is our children's first opportunity to be a part of an organized team. As we learned, having parents volunteer for bench duties, parents being present at practices, it all helps. Thank you! Coach Buczek
